

The  
Felsted  
Schools

## **The Lord Riche Society**

The Lord Riche Society, named in recognition of the original benefactor of the School, has been established to express our gratitude to all who have generously given financially to further the School's development. We value every gift made to the School and are thankful to all of our donors whose generosity has provided many of the excellent facilities enjoyed by pupils and made significant contributions towards bursaries.

A list of all who have donated to the School during each academic year will be posted on our website and written up in selected School publications including the Felstedian, subject of course to your permission to do so. We will also send out a yearly report to all donors to show the progress on our various projects during the course of each year.

In recognition of those who provide larger financial gifts to the School, we have established categories of membership of the Lord Riche Society.

### **Members**

All donors who give above £1,000 will automatically become Members of the Lord Riche Society and we will hold a 'thank you' event each year for the Members. The reason for setting this limit is that we are able to provide benefit to donors up to 5% of the gift (limit £500) under the Gift Aid rules.

### **Benefactors**

Donors who give in excess of £50,000 will become Benefactors of the Lord Riche Society and in addition to the benefits of Membership, will have their name included on the Benefactors plaque at the School.

Naming rights to certain rooms and other naming opportunities at the School will also be provided for Benefactors.

### **Major Benefactors**

In addition to the benefits of Members and Benefactors, for those who have donated in excess of £250,000, an annual meal will be held by the Headmaster and Governors for Major Benefactors.

Naming rights for significant projects will be provided for Major Benefactors e.g. Music School, Pre-Preparatory School and the like.

## Legators

Legacies have continually proven to be an important means of funding capital projects and bursaries and we want to acknowledge all who have included Felsted in their will by providing Membership of the Lord Riche Society.

If you have already included Felsted in your will, please let us know so that we can acknowledge you as a Member of the Society.

## Old Felstedians

We recognise the goodwill expressed by many Old Felstedians through sending children and grandchildren to the School and we will be acknowledging this through our website, within the Annual Report and within selected publications e.g. Old Felstedian.

Finally, our door is always open! If you have ideas or comments on fundraising we are always happy to hear from you. At the same time if you ever have any questions regarding the School please do let us know and we will endeavour to reply in the appropriate manner.
