- * Water bottle
- * 2 towels (looped), comb, toiletries (no aerosols please)

Plain black bag for School books (no patterned bags please) with the exception **Year 3** who require a burgundy Preparatory School book bag*

All items on the list marked * **must** be obtained from the Tailor's Shop
(Telephone: 01371 822636).

Small and large name tapes are ordered for you by the Tailor's Shop and are to be sewn inside the School uniform. Name tapes are ordered once full registration is confirmed.

Please sew large name tapes on the outside left breast/left leg of all sports clothing. Please name art overalls (on the outside as well), school coat and towels with a name tape, making a hook.

All pupils must have the following stationery items:

Calculator – Casio Fx83ES (available from Felsted School Bookshop)
Coloured pencils
Compasses (a pair)
Dictionaries – French, German or Spanish (Collins) (Yrs 7 & 8 only)
Eraser
Handwriting pen (Yr 4 only)
Fountain pens x 2 (Yr 5 and above)
Ink cartridges (blue)
Highlighters
Pencils x 2 (HB)
Pencil rubber
Pencil sharpener
Protractor (180 and 360 degree)
Ruler (930 cm)
Set square

All these belongings should be kept in a plain black bag which is clearly marked with your child's name on the front.

Notes

Please help teach all children to respect their own belongings and those of others by naming them and encouraging them to look for them if they are lost. An electronic notice can be put up to help find things and a visit to matron is essential. Nothing can be done if items are not named!

1. Marking and looping

It is essential that clear and permanent marking is made on all clothes, footwear, equipment and sports bags. **Clothing must be marked with Cash's name tapes, with FPS after the pupil's name.**

Sports kit

All sports kit must have their name tapes sewn neatly on the outside of the garment on the left breast of any top and the left thigh of shorts, skorts and tracksuit trousers. Games socks should be named at the top outside cuff of the sock.

Footwear

Footwear is best marked as seems most appropriate. Black shoes can always have initials painted on the soles, in front of the heel, where the sole does not touch the ground etc, but other items of footwear need to have a name tape very firmly fixed to the inside of the tongue.

Art overall

Please sew the name tape on the **outside** of the garment above the pocket.

Please sew secure, strong loops onto all items to be hung that would not go in the string bag such as towels (loops to go on a long edge), coats, blazers and art overalls.

2. Personal possessions

Watches, pens and other personal items must be marked, preferably by engraving. If a child is asthmatic, please give a spare named inhaler to the Matrons at the beginning of each term.

Children lose things! No name, no claim!

3. Rugby boots

These must have safety studs which are easily identified because they have the kite mark on them. The School can supply studs if you have difficulty in obtaining them.

4. Trainers

They must be practical, well cushioned shoes as they are worn for quite a lot of P.E. lessons, games and cross-country, as well as during breaks and free time.

5. Gum shields

You should arrange to have a gum shield fitted with your own dentist or direct with Opro who will supply a home fitting kit (Website: www.opro.co.uk or telephone number 01707 261261). We do not recommend that you buy 'self-fitting' gum shields from sports shops, but would recommend the Opro 'shield' self-fitting gum shield available from the Tailor's Shop. Pupils will not be allowed to participate in games/matches if they do not have a gum shield.

6. Swimming hats

Swimming hats are compulsory for all pupils in Years 3 – 8.

7. Sports equipment

Advice and help in purchasing suitable items such as hockey sticks, cricket bats and tennis rackets can be sought from any of the Heads of Sports or P.E. staff.

**If you have any queries please telephone the Tailor's Shop on 01371 822636/
