

Old Felstedian Society

Travel Grant Application

The Old Felstedian Society provides a limited number of travel grants to Old Felstedians aged between 18-21 years.

The aim is to provide assistance to those who are in financial need where the nature of the trip is charitable or educational and will be of significant benefit to the individual and the community that is being visited. Evidence of you raising funds for the trip independently will be essential.

The application will need the support of the Headmaster.

A successful grant is limited to a maximum of £500 and a proportion of the sum requested may be offered.

A requirement of the grant is that you submit a report to the Old Felstedian Office, including photographs so that this may be published within The Old Felstedian magazine, website and other relevant publications.

Please complete the application below and submit to:
