BEHAVIOUR and DISCIPLINE POLICY

1. INTRODUCTION

The behavioural expectations of the school encourage characteristics that seek to maintain a strong sense of community between staff, pupils and the wider Felsted community. Felsted students are expected to behave in a way that recognises their development as confident individuals in a community that nurtures self-esteem and wellbeing and equips them with the skills that lead to life-long learning, cultural breadth, a willingness to accept challenge, and an understanding of the way that they, as individuals, interact with communities that are local, regional, national and global. In-keeping with the Round Square IDEALS, this will promote the opportunities to develop as a servant and leader of others.

Above all else, Felstedians are expected to treat all other members of the community with kindness at all times.

2. PROMOTING POSITIVE BEHAVIOUR FOR LEARNING

The ethos of Felsted is based on mutual respect, support and encouragement to bring out the best in each individual. The school sets out to promote positive standards of behaviour which are easily understood and to which pupils, parents and staff can all subscribe. Good order and discipline are essential to the provision of high standards of education. Poor behaviour cannot be tolerated because it prevents pupils from learning and making good academic progress. The support of parents is essential for the maintenance of good behaviour. All staff have a critical role in establishing high standards of learning, teaching and behaviour.

2.1 Key Principles for Promoting Positive Behaviour:

- An acknowledgement that we all have rights and that with such rights come responsibilities to ourselves, to others and to the school;
- Every individual at Felsted should feel a valued part of a community in which we treat others as we would wish to be treated;
- Students should recognise that self-discipline is the highest form of discipline, together with self-respect and the basic virtues of honesty, fairness and good manners;
- Staff recognise the importance of modelling positive behaviour by treating pupils (and colleagues) at all times with a positive and professional attitude; Felsted believes in Positive Education.

2.2 Aims

- To create an atmosphere of mutual respect, trust and corporate responsibility
- To promote a positive school ethos through positive behaviour strategies and celebrations of success
- To raise standards of attainment, behaviour and attendance for all pupils
- To involve pupils and staff in setting rules/standards of behaviour within the school
- To require pupils to manage their own behaviour effectively while respecting the rights of others
- To develop social and citizenship skills in a variety of school contexts

2.3 Strategies for Promoting Positive Behaviour

Preventative strategies which encourage each student to develop a sense of personality and self-discipline include:

Engagement of Students in Developing and Implementing Codes of Behaviour

- Discussion of appropriate Codes of Conduct through the School Forum
- Training of peer counsellors
- Organisation of student buddy system (through houses)

Clear Communication of Expectations

- Whole school assemblies on moral or social issues
- Publishing the School Rules and the Code of Conduct in the Pupil Handbook
- Publicising the Code of Conduct throughout the school
- Ensuring that parents are aware of expectations of student behaviour through the web site, mailings etc

Appropriate use of Rewards and Praise:

- Use of rewards (including commendations, public recognition in assemblies or the E-newsletter, citizenship awards or nominations, certificates and stickers for positive behaviour across the curriculum and out of school)
Nomination of Man or Woman of the Week within Houses or Team of the Week in assemblies
- Use of praise as a sincere and prompt response to positive behaviour or achievement
- Praise should be applied equitably across the age and ability range, regardless of Special Educational Need, disability, race, religion, gender, sexual orientation or other differences
- Praise and reward should follow a transparent and fair system that rewards good behaviour and commitment to study
- Students are to encourage and support each other at all times

Pastoral and Tutorial Promotion of the Highest Quality Behaviour

- Setting of personal targets by Tutors and/or House staff for improving work or behaviour
- In Houses, the promotion of positive behaviour, through House assemblies, House routines and the use of senior students as Heads of House or House officials to assist in managing student behaviour

Consistent Behaviour Management by all Staff

- Discussion and implementation of proactive strategies to manage behaviour by all staff
- Clarity about school rules and expectations
- Consistent, fair and persistent management of behaviour by all staff
- Consistent interventions to manage behaviour – students should arrive on time for school, in uniform, on time to lessons, properly equipped for learning and prepared to focus on their learning, work positively and collaboratively with others, treating other people, their ideas and their belongings with respect, valuing and caring for the environment and supporting those around them to fulfil their potential

Good Teaching and Consistent, Ongoing Pastoral Support

- Stimulating, well-planned lessons which challenge pupils across the ability range (to maintain interest and focus)
- Consistent and ongoing support for students – both learning support, extension, enrichment and challenge, as well as pastoral and emotional support, including counselling, as required

3. EXPECTATIONS OF BEHAVIOUR IN THE CLASSROOM

Felstedians should be academically aspirational, challenging themselves to make excellent progress throughout their school career, to take pride in their work at all times, and be active, inquisitive and willing to work independently.

Students can ensure that they make excellent progress by taking responsibility for their learning. This may be characterised by the following behaviours:

- Engaging positively in lessons, through active listening and contributing to the lessons, orally and in writing;
- completing tasks in a specified time-frame and handing them in on time;
- reflecting on and engaging with feedback from teachers; identifying what has been learned successfully and any areas of difficulty;
- being aware of target grades and specific steps needed to reach these grades during individual lessons and over a longer time span;
- presenting work neatly and skillfully so that the learning is communicated as successfully as possible;
- developing learning skills as well as understanding content, for example by reflecting on how learning takes place and looking for opportunities to employ Higher Order Thinking Skills such as analysis, evaluation, synthesis and creativity. They should seek to understand how and why they are learning specific subjects and topics;
- asking questions both to clarify and extend understanding.

Felstedians should make their skills and abilities available for the good of the whole community

In class, students should support their peers by contributing fully to pair and group work and support teachers by their behaviour and engagement with the lesson. Behaviour will be marked by respect for students and teachers as well as for the intrinsic value and love of learning.

Felstedians should comply with the rules and regulations of the school.

Students should aim to motivate themselves, taking responsibility for their own learning, identifying short term goals and longer term ambitions and considering where individual subjects and lessons fit into their own “big picture”. They should also seek external recognition for their achievements. By doing this they will understand the role of rules and regulations to support the success of the whole community.

Felstedians must do everything they can to help others and nothing which hurts or offends them.

Certain behaviour will cause obstacles to teachers’ teaching and students’ learning. For these reasons all students are expected to avoid:

- drifting off task either through inattentiveness or talking
- failing to complete prep or coursework on time or to the best of their ability
- being rude to staff or students or belittling their successes or difficulties.
- disrupting the learning of others.

4. REWARDS

Felstedians should aim to motivate themselves, take pride in their work and enjoy their achievements. The school community aims to recognise the full range of student achievement inside and outside the classroom in order to value individual and team achievement and grow the self-esteem of members of the Felsted community. Achievement should be celebrated both privately and publicly and there should be a variety and scale of rewards. Although it is impossible to capture all possible rewards or reasons for which they are given, the following guidelines are provided to ensure consistency and frequency in recognising achievement.

4.1 Classroom Teacher

Teachers should aim to recognise and reward the following:

- Outstanding engagement in a lesson or consistently very good engagement in a number of lessons.
- An outstanding piece of prep or a number of good preps.
- Work in class or for prep which displays exceptional commitment.
- Exceeding target grades in extended pieces of work.

The following rewards could be employed:

- A Commendation or 'Smiley Face' (entered onto the MIS).
- Oral or written recognition (a positive comment or smile). This is often under-rated as a motivational tool.
- Effort grade 1 or 2
- Referral to tutor, HoD/HM.

4.2 HoDs/Tutors

For more consistent very good effort, achievement or contribution to lessons or others or a specific outstanding achievement, Tutors and/or HoDs could employ the following rewards:

- A post card home (using the MIS)
- Student of the week (including display board) and certificate sent home
- A subject-specific or tutor celebration event (at the discretion of the HoD/tutor).

4.3 HMs

HMs, through their analysis of gradings data, reward high or improving effort grades or achievement of target grades. They also reward students who make a greater contribution towards the House Competition. HMs could employ the following rewards:

- Academic Tie or lapel badge
- Publish names of the top 10 students contributing to the House Competition.
- House-specific rewards and celebration events.
- Amazon Vouchers for Commendation Points, awarded at the end of each term at Lists

4.4 Headmaster's Rewards

The Headmaster will recognise the outstanding achievements of members of the school community. Felsted aims to reward three quarters of its students in this way each year. The following rewards will be used:

- Lists (End of Term Whole School Assembly - Term Review and Prize Giving)
- Headmaster's Commendation (for an outstanding extended piece of work).
- Letter home
- Awarding of House Cups (for commendations and for effort gradings)
- Celebration events (such as invitation to the Scholars' dinners)
- School end of year prizes

4.5 Headmaster's Celebration

Every year the Headmaster or Senior Deputy Head will host dinners in the CRDR to

reward those who have achieved academically. HMs, HoDs and Tutors are invited to nominate pupils whom they will believe merit inclusion. Nominations will include a brief summary of the reasons why the student should receive an invitation. The Senior Deputy Head and Deputy Head (Academic) will select the students to be invited.

4.6 House Competition

By working well in class students will gain points as follows:

Smiley Face	1 point
Prefects' point	1 point
Commendation	2 points
Post Card	5 points
Student of the Week	5 points
Headmaster's Dinner	5 points
Headmaster's Commendation	5 points

At the end of each term a cup will be awarded to the House with the most points per pupil. In addition, a further trophy (the Professor Hunter Trophy) will be awarded to the House with the best average effort gradings for the term. Also, the leading individuals will be recognised in Lists by Year Group, and in House as well, and the top performer in the school will receive a cup.

5. SANCTIONS

5.1 Principles which underpin the application of sanctions at Felsted:

- i) We are aiming to **develop values and character and to change behaviour** rather than merely setting in train a sequence of punishments which achieve little. We are seeking to encourage good behaviour and a positive work ethic.
- ii) We seek to highlight positive behaviour through reward, and use this as a motivational tool to improve behaviour. It is recognised, however, that in order to maintain the strong sense of community between staff, pupils and the wider Felsted community, there will be times when this alone is not sufficient or appropriate and proportionate sanctions need to be applied.
- iii) 'Collective' punishments (where a whole group of pupils is sanctioned for the poor behaviour of one pupil, or a subset of pupils, from within the wider group) are not permitted at Felsted. They are inconsistent with the principles of fairness and individual responsibility and encourage negative, coercive relationships between pupils.
- iv) The school recognises that sanctions are seldom sufficient on their own; they are usually only effective when complemented by support of the individual pupil. To this end, staff are always expected to explain to a pupil the reason for a sanction being given.
- v) Most offences can be dealt with at the time, in person, without recourse to specific disciplinary sanctions. If an issue is encountered that can be dealt with in this manner, there is no need for the incident to be recorded or reported (unless the member of staff or prefect has a specific concern about the individual).
- vi) **Sharing of information is critical** to effecting change as regards behaviour: the HM and Tutor must be informed if a pupil's behaviour is unsatisfactory.
- vii) **Sanctions should be as immediate as possible** and also be set and supervised by the member of Common Room who has imposed them, with support as necessary within Departments (organised by the HoD) or within the House (organised by the HM). Central Sanctions are a support when pupils *persistently* refuse to do what is reasonable and are obstinately disobedient, rather than as a first step.
- viii) Sanctions, whether private or centrally organised, take priority over other school activities. Members of Common Room must, however, be sensitive to the disruption of group activities, particularly at short notice, and therefore must consult the pupil's HM if in doubt.

5.2 Private Detentions

Private Sanctions can be imposed for both behavioural and academic problems, with the proviso that pupils will not be punished simply for struggling academically or poor organisation (e.g. where they have a Special Educational Need). In the first instance of unsatisfactory academic endeavour or behaviour, members of CR should impose Private Sanctions with the support, as necessary, of a HoD, HM or Tutor. The slot chosen will typically be between 10 and 20 minutes, as deemed appropriate and proportionate. Records of sanctions imposed must be logged on the MIS (unless recorded in house logs).

5.3 Routine Sanctions

When it is felt appropriate to punish a pupil for an abuse of the School Rules the appropriate punishment may be selected from the following list:

1. Verbal Reprimand

2. School Prefects' Detention (SPD)

This involves community work such as picking-up litter, stacking chairs etc. This should be given, in consultation with the Deputy Head, if a pupil fails to follow an instruction or indeed argues with the Prefect, rather than as the first resort.

3. Early Morning Reporting (not before 7.00 am) to the HM/AHM

4. Deputy Head's Detention (DHD):

This sanction is given for culpable absence from a timetabled school commitment (e.g. lessons, Chapel, activities) and more serious repeated infractions, such as persistent minor misdemeanours, foul language, poor behaviour in class or elsewhere. The Deputy Head may contact parents (and the HM and Tutor will be informed via email and/or the MIS). If a member of staff is unsure about the appropriateness of a DHD they should first discuss the issue with the Deputy Head who will advise them on how to proceed.

Pupils will be required by the Deputy Head to write about the nature of their offence and explain why and how it will not be repeated. They will also be required to write (or type, dependent on exam access arrangements) an essay or carry out a community task.

5.4 House Sanctions

Senior pupils who are appointed as a House Prefects may, from time to time, apply sanctions. The purpose of these are so that the offender can learn from his or her mistakes. **All sanctions and punishments given by Prefects are given, on every occasion, in consultation with the HM and must be recorded in the House Punishment Log within 24 hours.** Wherever possible, a punishment must be completed within 24 hours. Written punishments on A4, runs, the writing of lines on Green and changing dress are not acceptable punishments.

The following list of punishments, which must fit the offence, may be administered:

1. TV Restrictions
2. Extra Duties (defined)
3. Early Bed
4. Lock- Up Restrictions
5. House Gating (loss of visiting / social time/ access to village)

5.5 Level of Sanctions for Regular Use

The table below summarises the levels of sanctions that can be applied. Incidents will be dealt with at a level proportionate to their seriousness but there should be clear evidence of a sequence of events leading up to the more serious levels of sanction:

Academic	General	House
Verbal reprimand		
Private detention (or rewrite etc)	SPD (School prefects' detention)	Minor house sanction (cleaning, tidying)
Departmental detention	Report to HM, to be dealt with in house	HM's punishment (house gating, early rise)
Academic Office Detention		
Deputy Head's Detention (DHD)		

5.6 Level of Sanctions for Serious Offences

The table below summarises the levels of sanctions that can be applied. Incidents will be dealt with at a level proportionate to their seriousness, but there should be clear evidence of a sequence of events leading up to the more serious levels of sanction.

	Academic	Pastoral
Level one	DHD + communication to parents	DHD + communication to parents
Level two	Deputy Head's Gating + communication to parents	
Level three	Headmaster's Gating + communication to parents	
Level four	Temporary exclusion, followed by Headmaster's Gating + communication to parents	
Level five	Permanent exclusion	

5.7 Protected characteristics

Offences involving protected characteristics are likely to result in higher level sanctions and will be recorded under that heading in the Headmaster's Office.

APPENDIX 1: SERIOUS OFFENCES

1. ALCOHOL

The possession or consumption of alcoholic drinks (apart from at the Sixth Form Club or at social events organised by the school) is strictly forbidden.

These guidelines show the level at which pupils can expect to be dealt with for possession or consumption of alcoholic drinks:

LEVEL 2

Having a small quantity of alcohol, but not spirits, and not providing the alcohol, or bringing it into school, or encouraging others to partake.

LEVEL 3

Second offence as outlined above.

Bringing in drink (but not spirits), or providing drink to others.

Consumption of a more substantial quantity (but not spirits)

LEVEL 4

Third offence at level 2, or second offence at level 3.

Bringing in and consumption of spirits.

Serious inebriation on alcohol.

LEVEL 5

Fourth offence at level 2, 3rd offence at level 3, 2nd offence at level 4.

Regular selling of alcohol to minors.

In all cases a letter will be sent home to parents informing them of what has happened and the consequences of further infringements. A pupil who is guilty of drinking in school will not be allowed to attend socials or go on school outings, without the permission of the Headmaster.

Where there are mitigating circumstances, the Headmaster might reduce the sanction by one level, and each case will be considered on its merits. After a period of 12 months, the punishment level will be reduced by one (e.g. if a pupil is punished at level 3, and commits no further offence in the next 12 months, a further infringement would be measured against a level 2 offence).

2. SMOKING

The possession or use of smoking materials (or equivalent, including vaping materials) is strictly forbidden. Through the anti-smoking policy the school aims to maintain a culture where it is both unusual and unacceptable to smoke. The school helps pupils say 'no' to smoking by encouraging all pupils at various stages in their education to consider their health, their interests, peer pressure and the value of assertiveness. It provides individual support and guidance for all. Information and attitudes are assessed through the Year 9 and Year 10 PSHE programme and the GCSE Biology and PE syllabuses. Help and advice are offered at the Medical Centre for those who wish to give up. Outside help lines can also be used. Anti-smoking literature is available in Houses and the Medical Centre. Moreover, pupils present while other pupils are smoking, or smelling of smoke, are equally culpable.

These guidelines show the level at which pupils can expect to be dealt with for involvement with cigarettes, smoking or vaping materials:

LEVEL 2

First offence

At this level, it is strongly advised that pupils should attend the medical centre for help in quitting

LEVEL 3

Second offence

At this level, it is compulsory to attend the medical centre for help in quitting

LEVEL 4

Third offence

LEVEL 5

Fourth offence

This system operates over a 12 month period, at the end of which the slate is wiped clean and Level 1 will be the first sanction. If pupils are found smoking in a building, or selling cigarettes on to other pupils, they must expect a Level 4 punishment.

3. BULLYING (including cyber-bullying)

This depends entirely on degree, but suspension (LEVEL 4) or even expulsion (LEVEL 5) is possible for a first offence. A serious assault or cyber-bullying incident may result in expulsion for a first offence. It is possible that, in less serious cases, lower levels will be used, or even that action will be taken in house, if that is deemed to be the best solution. Parents of both parties will normally be informed.

4. SERIOUS THEFT

1st offence- suspension: return likely to be conditional on educational psychologist's report (LEVEL FOUR)

2nd offence – expulsion (LEVEL FIVE)

5. DRUG OFFENCES

With the use of drugs increasing among young people, the school has an ever more important duty of care in this area. By using a urine test there is greater likelihood of detecting the abuse of drugs. A test will only be used when there is reasonable cause; that is when there is concern over changes of mood or academic output or concern over lifestyle, sleep habits etc. The decision to conduct a drugs test would be taken after consultation between the pupil's HM, the School Doctor and the Headmaster.

Felsted School's Sanctions Policy on drugs is as follows:

- any pupil selling or distributing drugs or otherwise actively encouraging their possession or consumption by others will in all cases be expelled (LEVEL 5).
- anyone caught possessing or consuming illegal drugs while under the school's jurisdiction in term time must expect to be expelled. In some cases there may be mitigating circumstances; if so, they will be carefully considered (LEVEL FIVE, or LEVEL FOUR in mitigating circumstances).
- The Headmaster may inform the police of the possession, consumption or supplying of an illegal drug, since it constitutes a criminal offence. If the only firm evidence that a pupil has been involved with illegal drugs is a positive urine test, he or she may be allowed to stay in the school (following a period of suspension) provided that he or she:
 - i) gives a written assurance to the Headmaster and to his/her parents, that he/she will not become involved with illegal drugs again,
 - ii) consents in writing to undergo urine tests at various times during his/her remaining school career and agrees to be involved in a drugs education programme under the supervision of the school doctor.

The same undertakings will also be required of any pupil who may be allowed back after a first offence (see b above) because of mitigating circumstances. Any subsequent offence, including a positive test result, will in every case lead to expulsion.

Alongside the sanctions policy is a constructive educational programme of lectures and discussions on illegal drugs as well as other important health issues such as alcohol, tobacco, diet and exercise.

6. SEXUAL INTERCOURSE

Pupils having sexual intercourse can expect to be expelled (LEVEL FIVE)

Explanation of Terminology

School Prefects' Detention	SPD	given for lateness, uniform infractions, untidy appearance etc. This involves community work such as picking-up litter, stacking chairs etc.
Deputy Headmasters' Detention	DHD	Pupils will normally sit and work in the LRH. This sanction is given for more serious infractions, such as persistent minor misdemeanours, foul language, poor behaviour in class or elsewhere. The Senior Deputy Head may contact parents and the HM and Tutor will be informed. This should only be given in consultation with the Senior Deputy Head.
Deputy Head's Gating	-	Pupils will be required to complete a report card throughout the day and evening, and must report to the Deputy Head's office at specified times. They can expect to work in the LRH during their spare time.
Headmaster's Gating	-	Pupils will be required to complete a report card for all lessons, and report to the Headmaster every day. In spare time, they will be required to work, either in the Headmaster's office, the Deputy Head's Office, the LRH or the Library.

APPENDIX 2: SCHOOL RULES

The following School Rules are not intended to be exhaustive and they do not include regulations which Housemasters and Housemistresses (HMs) may issue to their Houses, nor those which others, such as the Librarian or Warden of the Bury, may issue. **Ignorance of School Rules will not be accepted as an excuse for breaking them.**

Common sense, cleanliness, tidiness, punctuality, respect for common and individual property and good manners are always necessary. Whenever involved in any school activity or doing anything in public, restraint and good taste must be shown so that the community can be proud of your activities.

ABSENCE

- As a matter of good manners, pupils who know they will be missing a lesson, sports session or activity, for whatever reason, (having a music lesson etc.) must obtain permission from their teacher at least 24 hours in advance either by personal approach or by e-mail.
- To miss a lesson owing to sporting commitments you must take a permission slip to be signed by your teacher.
- Pupils who need to be absent from school must get their parents to write to their HM asking permission. It is expected that pupils will keep to the term dates and pupils who live abroad should organise their travel arrangements sufficiently early to ensure that early departure or late return is not necessary.
- Pupils who are ill at home must inform the school by contacting their HM, or the School Office (01371 822600) or Common Room Secretary (01371 822690).
- Pupils must not leave the school grounds either before breakfast or after supper except with their HM's permission. Pupils must be accompanied by at least one other pupil when out after dark.
- Pupils may go out with their parents or accept other invitations only with the permission of their HM.
- Boarders may only be invited to the homes of day pupils or boarders who are at home after 4pm on Saturday and on Sunday, school commitments permitting.
- Pupils may not leave the House after lock-up and before the rising bell.
- Pupils who miss lessons through illness in the morning may not play sport in the afternoon.

BOUNDS

Pupils must stay within the confines of Felsted village unless they have specific permission from their HM to do otherwise and have signed out, with the exception of organised school fixtures or school visits. The 'confines of Felsted village' means that pupils should not go beyond Linsell's, the Boote House, beyond Garnett's House, or Garnett's Lane, nor onto or beyond the Stebbing Road, from Prysties. *The pupil boundary is visible on the school map.*

Areas specifically out of bounds:

- **the village (including all shops) before 1.40pm on Monday to Friday and before 1.00pm on Saturday** (although pupils may go to the village at break on Saturdays, in school uniform) (Upper Sixth may visit at break and after lunch, but not in lesson times). **Linsells remains available up to 6.50pm for all year groups.**
- area between Thorne House and Prysties hedge
- all building sites, Works Department buildings etc.
- swimming pools, except at official bathing times
- all licensed premises
- the Memorial Hall car park, playground, the back of the United Reform Church and Preparatory School fields
- the village allotments

- all ponds, streams and rivers
- Flitch Green

After lock up (evening roll call, normally at 7.15pm), pupils who leave their house must sign out to a particular destination or activity, and have permission to leave their house.

Pupils may not visit **restaurants** without adult supervision unless permission has been granted by their HM.

Takeaways:

- No pupils may have takeaways on Mondays, Tuesdays and Wednesdays (these restrictions apply for the whole day);
- Year 11 may have takeaways on Thursdays after prep;
- Sixth Formers may have takeaways on Fridays after prep;

School Prefects:

- There is no restriction on takeaways at the weekend for School Prefects.
- School Prefects may go to The Swan, or the Razza for a meal on Thursday evenings.

Only Sixth Formers may visit **Chelmsford** with permission at weekends.

For anyone who has access to their **home in Felsted village** (including children of members of staff), the distinction between school and home must be clear. When at school, and throughout the school day (which could include evenings and overnight in the case of boarders), pupils are not permitted to go back to their home, unless they have permission to do so from their HM, and must not take other pupils back with them, unless a prior arrangement has been agreed with their HM, and the HM of any other pupil.

CHAPEL

- All Boarders are expected to attend Sunday services.
- When there is a Sunday morning service, all Boarders are expected to remain at school on Saturday night. They may go out after Chapel.
- If there is no Sunday service, Boarders may go home once they have fulfilled their Saturday afternoon sports' commitments. Pupils must return by 9.00pm on Sunday evening or on Monday morning by 8.00am.

FOOD

- Pupils are expected to attend all meals in the LRH when in school, except when meals are served in house.
- No crockery, cutlery etc., may be taken from the Lord Riche Hall.
- Food should not be taken out of the Dining Room.
- Gum may not be chewed at school, even when not in uniform.
- Drinks and sweets bought from vending machines must be consumed in the room in which they are dispensed or taken back to House.
- Pupils should not eat while walking around the site.

PERSONAL POSSESSIONS

- All electrical appliances brought from home must be checked for safety.
- Music may be played in Houses as long as the noise does not disturb others.
- Computer games are not to be played in Prep or in PSPs.
- Selling by pupils of articles of value exceeding £5 is forbidden, except with the permission of the HM.
- Pupils must not borrow items belonging to members of other year groups at any time.
- Pupils within a year group must ask the permission of the owner before property is borrowed. Borrowing without permission is theft and will be dealt with as such.

MOBILE PHONES

- Mobile phones must be registered with HMs.

- Mobile phones must be turned off in lessons, Chapel, performances, assemblies, after lights out in Boarding Houses etc. Pupils must expect to have their mobile phone confiscated if they use them in lessons etc.
- Years 9 and 10 only have access to their phones for short periods of time:
 - before the start of the school day at 8:15am
 - after the end of the school day at 5:45pm until the beginning of prep
 - their phones may also be used, with permission, after prep but must be handed in again before bedtime
- For a first offence, mobile phones will be confiscated for the remainder of the school day.
- Repeat offenders can expect to have their phones confiscated for an extended period of up to one week, or in extreme cases, may not be permitted to keep a mobile phone in school.
- Social media infringements usually attract a ban from having a phone in school (e.g. for a fortnight)

GAMES

- Pupils do not normally wear games kit for lessons. They must change before and after PE lessons. If pupils need to travel to an away match changed and there is not time to change prior to departure, then pupils may wear games kit in lessons only if the express permission of the Deputy Head has been given to the CR Member in charge of that team in advance.
- No ball games or practices may be played within 10 metres of a school building.
- No games are compulsory on Sundays.
