--

NB: the Activities PE kit is not needed for Judo, Karate and Ballet. Children will be informed by the teacher what clothing is required after their first session.

Any children doing After-School Activities will require a School Regulation Navy Rucksack, which they will take to/from school. For PE kits (which stay in school), children can either use a School Regulation Navy Rucksack OR any suitable bag, providing it is NOT drawstring. Drawstring bags can be a trip hazard and are not deemed safe.

ALL ITEMS MUST BE NAMED

All items of daywear should be labelled on the inside of the clothes with the small name tapes (including underwear, PE socks etc.). Coats must also be named inside the collar. No labels should be placed outside of the clothes. The large labels are for sportswear and after school activities kit, and are to be labelled on the inside of the garment. The large labels show the pupils first initial and surname, these are also to be used on the outside of all school bags.
