

Felsted

# **Senior School Uniform List**

## **2021/22**

## Notes for Parents

Most of the uniform for Year 9 to Year 11 can be purchased via our onsite Tailor's Shop, situated next to the Hunt Theatre. The Tailors Shop will be in contact with appointments as they are still having to manage the appointments very carefully with restrictions in the shop. Please contact Mrs Susan Ogburn on 01371 822636 or by e-mail [tailors@felsted.org](mailto:tailors@felsted.org), if you have any questions about uniform.

Items of uniform that must be purchased from the Tailor's Shop are marked in **bold** type, and those not available from the Tailor's Shop are shown in *italics*.

144 name tapes will automatically be ordered for your child in his or her full registered name by the Tailor's Shop. These are usually available at the time of your appointment and the charge for these will be added to the initial Tailor's Shop bill. An extra amount will be ordered if your son or daughter is going to board and sent to his or her House Matron.

A short appointment is required for Sixth Form entry as the majority of uniform can be bought elsewhere, with the exception of sports kit, house ties, house badges and name tapes. Before buying any games kit, Sixth Form students should wait until confirming their sport options with the Director of Sport when they begin at Felsted. This will be organised at the start of the Autumn Term.

Students with English as an Additional Language who are attending the LEAP course will be able to collect their name tapes whilst on the LEAP course if they have not already been received. Please see your LEAP information pack for further details. In this case, your House Matron will organise the sewing of your name tapes.

For all overseas students, a set of name tapes will be sent to your home address to enable labelling of all casual clothes.

All towels must have name tapes on one corner.

All bedding is supplied (pillow, duvet and sheets) but you may bring your own if you wish.

A travel rug and a coffee mug are useful.

# GIRLS

This clothing list has been drawn up showing quantities that will be needed by boarders. While all day pupils and occasional boarders must meet the clothing regulations, the quantities required are left entirely to the discretion of parents.

## All Year Groups

<b>1 House Pin Badge</b>	
2 Laundry bags (available from Tailor's shop)	
1 Storage box, with good lock and name marked on front, not to exceed 22"x16"x14". Recommended for boarders to store items of value (for e.g- laptop). Available from Tailor's Shop.	
8 Coat hangers	
2 White bath towels	
2 Coloured games towels	
1 Plain dark winter coat/jacket (optional but recommended)	
8 <i>Pairs knickers; bras/vests as required</i>	
1 <i>Dressing gown</i>	
2 <i>Changes of night attire</i>	
1 <i>Pair of slippers</i>

2 Crested cricket shirts	
1 Crested match slipover (optional)	
1 Pair cricket boots (indoor/outdoor optional)	
1 Pair white cricket trousers	
1 Pair white shorts	
2 Pairs white sport socks	

## ADDITIONAL ITEMS

Below is a guideline for other items that you may need to buy for your child before they join Felsted.

### Sporting Equipment

Pupils without hockey sticks or tennis racquets should wait and buy them at the School shop after the beginning of term. We are able to offer a range of sticks and racquets covering a wide price range.

### Gum Shields

The School's requirement is that gum shields are worn for hockey and rugby and we recommend that properly fitted ones are used. At the start of the Autumn Term we arrange for OPRO to visit the School, take impressions and then fit the students with gum shields. To enable you to make use of this facility a leaflet and order form is enclosed with your induction pack. You should complete and return it **directly to OPRO** with the appropriate payment during the summer holiday. At the start of September OPRO will come into school to arrange fittings. If the form is not returned to them, it will be assumed that you have made alternative arrangements. Please note that standard OPRO gum shields are also available all year from the Tailor's Shop.

### Electrical Equipment

Please note that all electrical equipment is tested by the School in the Autumn Term. If you are using adaptors on any personal electrical appliances, please only use those that conform to the British Standard 7671. If you are uncertain of this, the correct adaptors are available from the Tailor's Shop or Bookshop.

### Stationery

You should not need to buy any specific items but it is suggested that all pupils should arrive with writing equipment (pen, pencil, ruler) and an A4 notebook. Exercise books will be provided for Year 9, 10 and 11 pupils, and folders can be purchased from the School Bookshop for Year 12 students.
